ERMEK BARMASHEV

WEB DEVELOPER

PERSONAL PROFILE

I am a web developer with experience in customer service and sales/marketing who is committed to making the web more accessible and user-friendly. I love writing clean code and learning new technologies as well as collaborating with team members on the projects.

EDUCATIONAL HISTORY

Juno College of Technology
Web Development Bootcamp | Oct 2020 - Jan 2021

Al-Farabi National University
BA International Law | Jul 2012 - Jul 2016

FEATURED PROJECTS

Likely Match (VIEW LIVE)
React | CSS | Firebase
This app generates a playlist of similar songs based on a user's input

Blackjack (VIEW LIVE)
HTML | CSS | JQuery
A game of Blackjack that deals cards to the player and a dealer, counts the cards and displays the winner

SELECTED WORK EXPERIENCE

Lead Cashier
Summerhill Market | Feb 2020 - Oct 2020

- Managed a group of cashiers during the first wave of the COVID pandemic ensuring the safety of the customers and the staff
- Trained new cashiers
- Answering customer inquiries in an efficient, friendly manner

Sales Intern (Market Strategy & Planning)
Procter & Gamble | Feb 2019 - Jun 2019

- Managed Oral Care category in Kazakhstan
- Successfully worked with the marketing and distribution team to launch a new line of oral care products for the Central Asian Market
- Created and presented a market overview to the Regional Director to assist in the onboarding process
